Feel the creative energy at Bella Skyway Festival

---

*Photo by PKO*

At no surprise Bella Sky Festival is gathering bigger number of visitors and awards every year. How? Using audiovisual arts festival combines three aspects that has been present in Torun for centuries: science, art and people.

It is the best chance to see buildings in different light, feel creative energy filling out the city and witness it's transformation. So be in Torun between 22-27.09. And be sure not to miss it!
